

Amsterdam En Portugais By Guide Vert

Voyagez en Vert, Â ! La collection Guide vert de Michelin n'a plus rien à prouver. Régulièrement actualisé, ce compagnon de voyage, transmis de génération en génération, apparaît encore comme une "institution" toujours aussi efficace dans son contenu : cartes détaillées (liées à l'appui, on est pas Michelin pour rien !), format pratique la couleur caractéristique, présentation riche et complète traitant, comme son habitude, l'ensemble des thèmes culturels du pays. Grâce à son classement par ordre alphabétique, on obtient toujours facilement et rapidement les informations souhaitées. De plus, grande nouveauté, la version 2000, présente désormais de bonnes adresses d'hébergement et de restauration, on aime les efforts d'illustrations, mais surtout les renseignements pratiques très complets dont les horaires de musées (et les prix), une approche linguistique, les dates des grandes fêtes, etc. Couvrant quasiment toutes les destinations d'Europe, la France entière et quelques pays étrangers, ce guide culturel par excellence, toujours au goût du jour, s'adresse aux curieux d'infos historiques et/ou amoureux de dates et musées. Un must pour mieux comprendre et découvrir. -- Florent Lamontagne. Yahoo. 29 Stages de Marketing Amsterdam Pays Bas 10 358. Locations de vacances logements expériences et lieux.
